Grace Fellowship Presents

AT THE MOVIES

JUNE 26 // WEEK 4 - FEATURING GRAVITY // PASTOR JOE BOYD

But the fruit of the Spirit is love, joy, peace, **forbearance**, kindness, goodness, faithfulness, gentleness and self-control. - Galatians 5:22-23

FORBEARANCE

Forbearance is refraining from exercising a legal right, especially enforcing the payment of a debt.

Forbearances is a form of grace.

PATIENCE

Patience is a fruit that is very evident because most of us lack it.

The way God teaches us patience is through trials and tribulation.

Mistake #1 - We tend to rush and react, when we should be patient and respond. Whoever is patient has great understanding, but one who is quick-tempered displays folly. Proverbs - 14:29

Mistake #2 - He let our problem determine our perspective. Patience is not the ability to wait, but the ability to keep a right perspective while waiting.

Love is patient, love is kind. - 1 Corinthians 13:4

Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. - 1 John 4:7

Mistake #3 - We forget who made us. A patient person gives God time to work.

Wait for the Lord; be strong and take heart and wait for the Lord. - Psalms 27:14

Be still before the Lord and wait patiently for Him. - Psalm 37:7

Mistake #4 - We think we can make it by ourselves. We should be patient because God is patient with us.

The Lord is not slow in keeping his promise, as some understand slowness. He is patient with you, not wanting anyone to perish, but everyone to come to repentance. - 2 Peter 3:9
