

Read Ephesians 2 and Reflect

1. Like the previous lesson, pretend you've never experienced church and that what you read in Ephesians chapter 2 is your first and only exposure to the characteristics of church. What conclusions or assumptions would you make about church?
2. Read Ephesians 2:10 and discuss: Is this a promise for the church or for each individual believer?
3. What are the stewardship implications to each person being a masterpiece of God with a unique set of good deeds to accomplish?
4. What about the message convicted you personally about something in your life and your personal calling to a one-of-a-kind Masterpiece Mission for More?

PERSONAL REFLECTION:

How well do I know my own Masterpiece Mission? To what degree am I living it out?
