SECURITY & SUSTAINABILITY

SECURITY

means a thing deposited or pledged as a guarantee of the fulfillment of an undertaking.

SUSTAINABILITY

Means meeting the needs of the present without compromising the ability of future generations to meet their own needs.

When we attach our security to stuff and sustainability to self it is never enough.

Jesus must be the source of our security and sustainability.

While He was in Bethany, reclining at the table in the home of Simon the Leper, a woman came with an alabaster jar of very expensive perfume, made of pure nard. She broke the jar and poured the perfume on His head. Mark 14:3

Some of those present were saying indignantly to one another, "Why this waste of perfume? It could have been sold for more than a year's wages and the money given to the poor." And they rebuked her harshly. Mark 14:4-5

"Leave her alone," said Jesus. "Why are you bothering her? She has done a beautiful thing to Me. Mark 14:6

The poor you will always have with you, and you can help them any time you want. But you will not always have Me. Mark 14:7

There will always be poor people in the land. Therefore I command you to be openhanded toward your fellow Israelites who are poor and needy in your land. Deuteronomy 15:11

She did what she could. She poured perfume on My body beforehand to prepare for My burial. Mark 14:7

Truly I tell you, wherever the gospel is preached throughout the world, what she has done will also be told, in memory of her." Mark 14:9

O LORD, I give my life to you. I trust in you, my God! Psalm 25:1
